## Spinone Italiano

The key to a successful, lifelong relationship with you and your new puppy will be to fill out this questionnaire. We can't describe how exciting it is to watch each puppy develop and grow into their own distinctive personality. It's knowing them and loving them that motivates us to find the best homes possible. This questionnaire is some of the information to help us place the puppies, but also questions and answers a new family must consider before committing to a Spinone Puppy.

*This application is a beginning step in the placement process.*

All information will be confidential and used only by the Breeder/Owners of this litter.

Thank you for your cooperation and interest, Stacey and Lorne Belt
